

User Manual for Installers

SOLARMAN Business is the 3rd generation platform especially designed for PV monitoring and O&M. And this user manual will guide you to operate account registration, plant creation, device addition, and authorization.

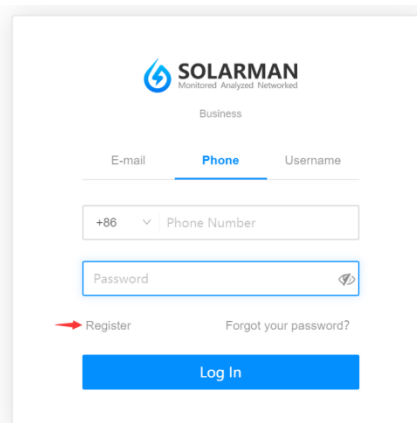

Let's get started!

Account Registration

If you do not have an account on SOLARMAN Business, please go to login page and register. [<https://pro.solarmanpv.com/login>]

Step 1: Go to Login Page

Click **“Register”** as shown in the following page.

Download APP English ▾

Current Version v1.5.5

Chrome58+, Firefox49+ are recommended

T&Cs Privacy Policy

Login Page

Step 2: Complete the Registration

1. Enter E-mail or Phone Number

- 1) Please enter a right E-mail or phone number, and verify it.
- 2) After verified its validity, please tick the box of ***T&Cs and Privacy Policy***.

Tip: SOLARMAN Business supports registration via phone number and E-mail, users can click the button as shown in the following page to switch.

The screenshot shows the SOLARMAN Business registration interface. At the top, it says "SOLARMAN Business Register" and "Already have a business account? Log In. English". Below this is a progress bar with four steps: 1. Enter E-mail or Phone Number (highlighted in blue), 2. Enter Account Info, 3. Enter Business Info, and 4. Registered. The main form area contains an "E-mail" input field, a "Verification Code" input field with a "Send" button, a checked checkbox for "I have read and agreed T&Cs Privacy Policy", and a "Next" button. At the bottom, there is a red arrow pointing to a link that says "Switch to phone registration >>".

2. Enter Account Info

If a new account is created on SOLRMAM Business, please complete the account information here.

The screenshot shows the SOLARMAN Business registration interface at Step 2: Enter Account Info. The progress bar at the top shows four steps: 1. Enter E-mail or Phone Number, 2. Enter Account Info (highlighted in blue), 3. Enter Business Info, and 4. Registered. The main form area contains four input fields: "*Name", "Username", "*Password" (with a note "At least 6 characters" and an eye icon), and "*Please confirm" (with a note "Confirm Password (At least 6 Characte" and an eye icon). Below the fields is a "Next" button.

3. Enter Business Info

Please select Business Type, Business Area, Service Type and enter Business Name here.

The screenshot shows the 'SOLARMAN Business Register' page. At the top, there is a navigation bar with the SOLARMAN logo, the text 'Business Register', and a link 'Already have a business account? Log In.' followed by a language dropdown 'English'. Below the navigation bar is a progress indicator with four steps: 1. Enter E-mail or Phone Number, 2. Enter Account Info, 3. Enter Business Info (highlighted in blue), and 4. Registered. The main content area contains the following fields and options:

- Business Type:** Radio buttons for 'Enterprise' (selected) and 'Individual'.
- *Business Name:** Two input fields. The first is labeled 'English' and contains 'Business Name'. The second is labeled '简体中文' and also contains 'Business Name'. A red arrow points to the first field.
- *Business Area:** A dropdown menu with 'China' selected.
- Type:** Radio buttons for 'Installation O&M Provider' (selected), 'Distributor', and 'Manufacturer'.
- Next:** A grey button at the bottom.

4. Registered

Please click the "Finished and Log in" button to skip to the login page, and log in.

The screenshot shows the 'SOLARMAN Business Register' page. At the top, there is a navigation bar with the SOLARMAN logo, the text 'Business Register', and a link 'Already have a business account? Log In.' followed by a language dropdown 'English'. Below the navigation bar is a progress indicator with four steps: 1. Enter E-mail or Phone Number, 2. Enter Account Info, 3. Enter Business Info, and 4. Registered (highlighted in blue). The main content area contains the following elements:
